

# AIMS - Meeting Summary

## Summary:

They both are agreed to guide us during the hackathon and workshop. We will need sponsor for any additional amount. The workshop will need another 5,000 for materials and certificates. If you give them branding space and a short slot I will send them the event proposal by tomorrow. Agreed. Also Nikita, I will share the event schedule once it's ready. So I'll submit the form today. I will also start preparing the budget sheet with event wise expenses and expected income from us. And I will finalize the event rules and judges list by this weekend.

## Key Topics:

one post per day starting next week, keep physical printing within 2000, 2025 duration 234 seconds language, whisperai transcription report title planning, college technical fest technova 2025, reached out two local

## Decisions:

They both are agreed to guide us during the hackathon and workshop.  
Agreed.
